Subject: We need your help! - National Orthodox Online Survey

Dear Rev Frs. and faithful,

I write to you today to ask your support in completing a quick survey. This survey will contribute to a study being completed by Nicola Nunu, a seminarian at St. Tikhon's Seminary. He seeks to conduct an impactful study on how to best serve our young people and your contribution is vital! It is important for us to understand how we can effectively minister to and keep our young people in the Church. It is only with your help that we can do this. Adults of all ages are invited to participate. Please take the time to support this work. If you have time to read this email, I encourage you to take an extra few minutes to complete the survey now. It will take only approximately 7 minutes and can be also found below. Your response is so valuable. Thank you for your contribution to the Church and to our young people!
